CONTINUATION APPLICATION TRANSMITTAL FORM

Honorable Commissioner of Patents & Trademarks
Washington, D.C. 20232

Sir:

This is a request for filing a continuation application, as permitted by regulation including regulations 37 CFR 1.53 and 37 CFR 1.63 .

1. Enclosed is a copy of the latest inventor-signed prior application, including the oath or declaration as originally filed. I hereby verify that the attached papers are a true copy of the latest inventor-signed prior application, serial number 10/122,109 filed on 4/11/2002 by Roger Wong, et al. for "Mechanism For Reducing The Vulnerability Of High Explosive Loaded Munitions To Unplanned Thermal Stimuli", and further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements, and the like so made are punishable by fines or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

2. A separate fee letter is hereby enclosed, which will authorize the Commissioner to charge the filing fee to our Army Deposit Account No. 19-2201.

3. Please hereby amend the enclosed specification, by inserting before the first line the sentence: - - - This application is a continuation of application, serial number 10/122,109 filed on 4/11/2002 by Roger Wong, et al. for Mechanism For Reducing The Vulnerability Of High Explosive Loaded Munitions To Unplanned Thermal Stimuli, which application itself claims benefit under 35 USC 119(e) of provisional application 60/282,884 filed April 10, 2001, the entire file wrapper contents of which applications are hereby incorporated by reference herein as though fully set forth at length. - - -

4. A separate request for non-publication of this application, is herewith enclosed.

5. A preliminary amendment is hereby enclosed.

6. NON-PUBLICATION is hereby requested under 35 USC 122(b) and 37 CFR 1.22(b) of the presently submitted continuation patent application. The undersigned hereby certifies that the invention disclosed in this application has not been and will not be the subject of an application filed in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing.

7. The prior application is assigned of record to: The Government of the United States, as represented by the Secretary of the Army.

8. The power of attorney in the prior application is to: Michael Sachs # 29,262. The power appears in the original papers in the prior application.

9. Address all future communications to:
